Investment Philosophy and Objective

Sprott Gold Equity Fund's* investment objective is long-term capital appreciation. The Fund seeks to achieve its investment objective by investing at least 80% of its net assets, plus borrowings for investment purposes, in gold and other precious metals and securities of companies located throughout the world that are engaged in mining or processing gold. The Fund follows a value approach to investing and the Portfolio Manager will identify companies that are undervalued based on his judgment of relative value and growth potential.
