Investment Philosophy and Objective

The Fund aims to achieve long-term capital growth primarily through investment in equities issued by companies around the globe involved in gold mining. The Fund may also invest, up to one-third, in companies around the globe that are involved in mining for other precious metals and other minerals and metals.

Portfolio Manager **Mr. George Cheveley** MBA BA george.cheveley@ninetyone.com

Start Date
December 31, 2007

Mr. Cheveley is a portfolio manager and metals and mining specialist in the Thematic Equity team at Ninety One Fund Managers UK Ltd. He joined the firm in 2007. George is a portfolio manager for the Global Gold Fund and co-portfolio manager for the diversified Natural Resources strategies. He covers all aspects of metals and mining supply and demand including, most recently, the impact of renewable energy and electric vehicles on metals demand.

Prior to Fund Management, Mr. Cheveley was a market analyst for three years at BHP Billiton, working in The Hague and Singapore. He was recruited to BHP Billiton in 2004 from CRU (Commodities Research Unit), an independent metals/chemicals related research company based in London. At CRU, he spent three years in the Carbon Steel team and five years as a Research Manager – Copper, providing in-depth research and forecasts to the industry, banks and hedge funds. George began his career in 1990 in operations at British Steel Strip Products, working for three years in the Tinplate division.

George graduated from the University of Oxford in 1989 with an honours degree in Classics and in 1995 was awarded an MBA from Warwick University.
