### Investment Philosophy and Objective

The Fund is a mixed fund and invests at least 50 percent in the stock market to achieve exposure to companies that are active in green technology and produce services, products and raw materials needed to create a greener and cleaner world. The Fund also invests at least 30 percent in transferable securities, all of whose value development the nominee deems to be affected by market developments for gold, silver and other precious metals.

#### Portfolio Manager

**Mr. Eric Strand**

BA

[eric.strand@auagfonder.se](mailto:eric.strand@auagfonder.se)

Eric Strand, based in Gothenburg, is a fund manager at Pacific Fonder where he deals in mixed assets and is managing two UCITS Hedgefunds, using bottom up and fundamental strategies. Eric is a lifelong student of Discrete Mathematics and outside of fund management he lists yoga and golf among his interests.

Perioden som landslagsfäktare under större delarna av 80- och 90-talet med världscuptävlingar, EM, VM och OS har präglat mig med egenskaper som disciplin, fokus och målmedvetenhet.

Mitt akademiska favoritämne har alltid varit matematik och då särskilt diskret matematik (algebra, sannolikhet, logik och koder) och var mitt fokus tills jag "fastnade" i den finansiella världen och begreppen byttes snabbt ut till beta, alpha, implicit volatilitet, konsistens, hedgefonder, ETPer och portföljteori.

Som motvikt till impulserna från Wall Street hittar jag en diametral kraft i min passion för yoga. Tuff fysisk yoga - en meditation i rörelse...
