Investment Philosophy and Objective

GOLD 2000 invests primarily in gold and silver mining companies listed in Australia, Canada, South Africa and the United States. These companies are primarily engaged in the exploration, mining, fabrication, processing or distribution of gold and other precious metals. The Fund has a «buy and hold» investment style with a focus on mid- and small cap companies. Up to 30% of the assets are invested in exploration companies.

Advisor & Shareholder **Herr. Walter W. Wehrli** B.Econ wehrli@gold2000.ch

Walter Wehrli was born in the Swiss town of Schaffhausen in 1964. He obtained his undergraduate degree in economics in Zurich and started his career in trading at Banque Louis Dreyfus. Walter joined UBS in 1992, where he became the deputy head of emerging markets and commodities. He is currently CEO of his own fund management company and specialises exclusively in gold mining.

Start Date
January 1, 2000

Walter's active investment style is purely bottom-up and thrives in environments with negative real interest rates. Away from investment management, Walter enjoys sports – golf, tennis, football and skiing. He is also a music fan and likes going to the cinema.
